Get Local takes expert advice and moves to October

NEW DATES: October 18-19, 2021

In light of the latest Government health advice, and with a fierce determination to run a person-to-person event, Get Local co-owners Donna Kessler and Gary Bender today announce new dates for the expo of October 18 and 19, 2021.

The decision was made after discussion with key stakeholders, partners and government health experts.

“Given the most recent lockdowns in Greater Sydney and Melbourne, Get Local is now more important than ever for the business events community to reconnect with one another and at an appropriate time to do so,” Donna and Gary said.

“We are a resilient industry and we thank everybody for their ongoing support in such unprecedented times.”

It is believed that by October current travel restrictions and rules on group gatherings will have eased. Coupled with an increase in the vaccination rollout, the industry as a whole will be far better off and live meetings and events will be back on the agenda once again.

“Many venue operators are experiencing very strong enquiries for late 2021 and 2022 which puts Get Local in October in a good position to help restart the sector.”

We look forward to seeing you in October.
